USB Charging Outlets

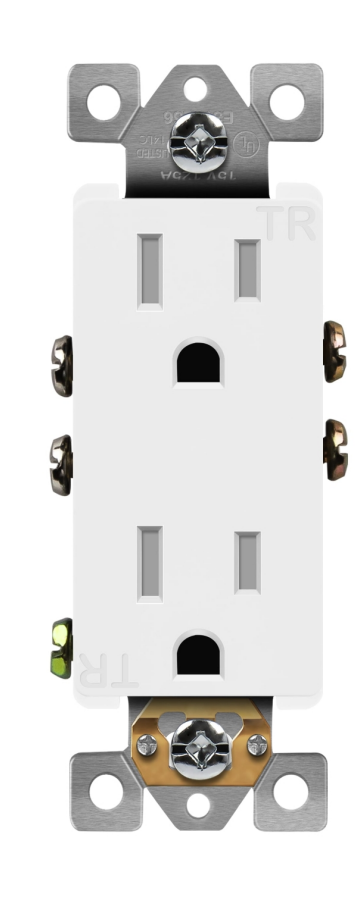

Learn More

While many commercial spaces now feature USB charging outlets, homes have been slow to adapt in part because there is rarely a need to replace old outlets. However, swapping out your current power outlets for newer ones that support USB charging is fast, economical, and surprisingly straightforward.

Smart Wi-Fi Heavy-Duty Plug-In Outlet –15amp with Energy Monitoring: TGWF115APM

One of the simplest ways to automate your devices and appliances, the TGWF115APM is a smart Wi-Fi heavy-duty plug-in outlet that installs in any receptacle. The TGWF115APM works with the TOPGREENER app available for free download from Google Play or the Apple App Store to provide remote operation. You can also build customizable scenes, create on/off schedules, set timers, and even monitor energy usage in real-time. Part of a complete smart home solution, the TGWF115APM is also compatible with most voice-activated assistants, such as Amazon Alexa and Google Assistant.

Heavy Duty

Smart Wi-Fi powerful plug outlet is equipped to handle higher loads, up to 15A. Plug-in appliances that require more amps such as fans, heaters, slow cooker, etc.

Energy Monitoring

TOPGREENER's Wi-Fi outlet comes equipped with energy monitoring capability. Monitor use and save on energy costs using the TOPGREENER app.

Set Schedules and Timers

Set schedules to automatically control lights and small appliances. Modify and adjust your lamp settings from the app for added security to give the appearance of occupancy while you are away.

Remote Control

Using TOPGREENER's powerful plug provides convenient control from anywhere. Control home appliances remotely with the touch of a button.

Specifications

The TGWF115APM connects to a standard 2.4 GHz wireless network and doesn't require any hubs or additional hardware. It is rated for 120V 15A loads for larger devices and small appliances, like space heaters and coffee makers. All told, the unit measures 2.42 inches long by 3.87 inches tall by 1.48 inches thick. Our heavy-duty smart wi-fi plug-in outlet is UL-listed and FCC compliant.

Applications

Use the TGWF115APM heavy-duty smart Wi-Fi plug to control outlets remotely and monitor energy usage over time. With the app, you can create custom schedules for example, programming an air conditioner or humidifier to turn off after you fall asleep.

TOPGREENER is a proud partner to DIYers and contractors alike. We offer a wide range of smart home products that help with automation and more. Shop our online store for fast shipping throughout the continental United States, or contact our customer service department for more information about any of our products.

• WHO WE ARE •

Dedicated to Providing Solutions

Top Greener Inc. is a high-tech electrical company based in Orange County, California. We dedicate ourselves to providing smart home and commercial solutions to our customers to meet their energy-saving and lighting control needs.

Our team specializes in the design and production of quality lighting controls, wiring devices, wireless home automation, and solutions in smart energy management.

With our strong background in the industry and in technical applications, as well as a deep understanding of the market's demand, consumers and contractors regard www.topgreener.com as their one-stop-shop.

High Standards of Quality

All of our products are **UL-listed** or **ETL-approved**. Many of which are also certified by Energy Star or are DLC and RoHS compliant. Our products have taken part of Energy Saving programs with many utility companies such as SCE (South California Edison), PG&E, SRP (Salt River Program), APS (Arizona Public Services), TEP (Tucson Electrical Power).

Most of our energy-efficient products are qualified for Utility Rebate programs, such as the UL-listed Occupancy Motion Sensors, Energy Star or DLC-qualified LED light bulbs. We have successfully served as a vendor for ESCO (Energy Service Company), one of our many past experiences.

By following high standards in industrial safety performance and having the best comparative values, we confidently provide suitable and energy-efficient solutions for our customers.

One-Stop-Shop for Smarter Energy Solutions

With competitive prices and industrial safety performance, our energy-efficient & home automation solutions are perfect for all your needs.

RETURNS & REPLACEMENTS

30 Day Money-Back Guarantee:

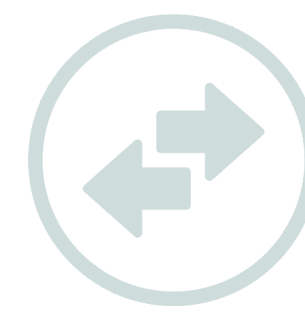

We are so sure that you will enjoy using our products that we are offering a special 30-day money-back guarantee as long as the original item and the packaging are not damaged. To do this if needed, we ask that you email support@topgreener.com to start this process and let us know that you'd like to return your item. You will then receive an RMA (Return Merchandise Authorization) number to place on the return shipment's box, which is required and must be written on the shipping box to our address at:

Customer Service Dept. 19800 MacArthur Blvd #300 Irvine, CA 92612

Refunds

product can be returned for a refund up to 30 days from the date of purchase. The refund amount may be subject to a restocking fee of 25% of the item's cost.

Exchanges for different product

product must be in new condition and not missing any components. All exchanges require a new order to be placed. A full refund will be applied to the original order once the item is returned.

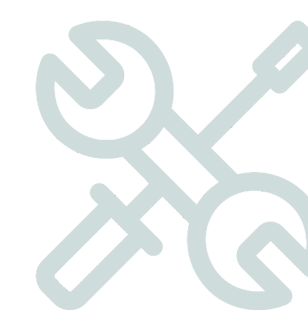

Replacements (exchange for same product)

if a product is determined to be defective, we will send out a replacement unit along with a return label. The product must be within the warranty period to be eligible for a replacement. A credit card must be placed on file for replacements. If the customer does not return the defective unit or has damaged the product with improper use/ installation they may be charged for the replacement unit.

Cancellations

orders can be cancelled at any time before the item ships for a full refund.

Refurbished Items

are not eligible for refunds but may be eligible for replacement if specified in the listing.

One-Year Warranty:

A one-year warranty is provided for items sold on Topgreener.com, our Amazon store, our eBay store, and other online stores operated by Top Greener Inc. Warranty replacement does not cover items damaged from improper installation, misuse, or modifying. Installation help is available from our technical support team during our normal business hours.

EXTENDED WARRANTY

Extended Warranty:

You can add an additional year to your product warranty by registering it [here](#).

International/Overseas Orders:

Warranty replacements for Items that were shipped Internationally or overseas require the customer to ship the item back to us. Once the item is received we will ship out a replacement. Please contact our team at support@topgreener.com for details.

This warranty policy applies to all products sold by Top Greener Inc and purchased through our selling channels such as: this website, Amazon, eBay, other. This warranty policy is subject to change without notice. Last updated 7.5.19

TOPGREENER

SALES POLICY

The following policy ("Sales Policy") governs your purchase of TOPGREENER® products from our website, www.TOPGREENER®.com ("Site"). TOPGREENER® has determined that adoption of this Sales Policy is an important component of its strategy to properly support online sales, preserve and protect the value of its intellectual property and its rights therein, and ensure that the TOPGREENER® line of products is supported with aggressive marketing, effective product presentation and placement, and pre-sale and post-sale customer service and education.

By making a purchase from the Site you expressly agree to be bound by the terms of the Sales Policy as it exists on the date and time of your order. If you do not agree to the terms of the Sales Policy do not purchase anything from the Site. For the avoidance of doubt, this Sales Policy is between you and TOPGREENER® and is subject to change at any time by TOPGREENER® in its sole discretion with any such changes becoming effective immediately upon publication.

We encourage you to download and store this Sales Policy if you purchase products from the Site. This Sales Policy was updated as of December 5, 2017.

Prices

TOPGREENER® endeavors to offer you competitive prices on its products. Your total order price will include the price of the product(s) on the day of shipping plus any applicable sales tax and/or shipping charges. TOPGREENER® reserves the right to change prices for its products at any time and particularly to correct pricing errors that appear on the Site.

Orders and Payment

Information on how to place orders and the authorized payment methods for making purchases on the Site can be found here.

Shipping And Delivery

Information on the shipping and delivery policy of TOPGREENER® can be found here.

Returns

Information on the return policy and procedures of TOPGREENER® can be found here.

Resale Prohibited

All products sold from the Site are prohibited from being resold by you as new or otherwise distributed to or sold through other dealers, including on auction sites, such as eBay, or on partner sites, such as Amazon.com. No warranty on the products will be honored by TOPGREENER® if the customer cannot show proof of the purchase from TOPGREENER®. TOPGREENER® reserves the right to refuse, modify, or cancel your order if it suspects you are purchasing for unauthorized resale in violation of the Sales Policy.

For avoidance of doubt, you hereby acknowledge that you have read and understand the "Warranty" section of the Site, found here, and are aware that the warranty extends only to the original consumer purchaser of the TOPGREENER® products and is nontransferable. A subsequent unauthorized sale of the TOPGREENER® products in violation of the Sales Policy therefore renders the warranty void as to the subsequent purchaser. The sale of a product that is materially different from the original product (i.e. without its original warranty) excludes such sale from protection against trademark infringement claims under the first sale doctrine.

By purchasing any product(s) from the Site, you hereby acknowledge and agree to pay any and all costs, including attorney's fees, incurred by TOPGREENER® to remedy a violation of this section of the Sales Policy by you or any of your affiliates. This includes any

No Resellers, Wholesalers, Distributors, Or Dealers

For purposes of clarity, nothing in this Sales Policy, the purchase of TOPGREENER® products, or otherwise, shall create a reseller, wholesaler, distributor, or dealer relationship between you and TOPGREENER®.

Jurisdiction

All matters arising out of or relating to this Sales Policy are to be governed by and construed in accordance with the internal laws of the State of California without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of California. Any legal suit, action, or proceeding arising out of or relating to the terms of the Sales Policy, or enforcement thereof, may be instituted only in the federal or State courts located in Orange County, California. You hereby irrevocably submit to the exclusive jurisdiction of such courts in any suit, action or proceeding.

TOPGREENER® will have the sole exclusive right to determine, in its discretion, whether any dispute, controversy, or claim arising out of or relating to the Sales Policy, or the breach thereof, will be submitted to a court of law or to JAMS for a binding arbitration pursuant to the Arbitration Rules and Procedures adopted by JAMS. The venue for any arbitration will be Orange County, California. The arbitrator's award may be confirmed and reduced to judgment in any court of competent jurisdiction. In the event a matter is submitted to a court as opposed to arbitration, TOPGREENER® and you hereby agree to waive the right to a trial by jury and covenant that they will each not request trial by jury at any point in the litigation.
